INTERIOR AND SEATING

Seating is arranged as a side facing couch opposite of the entrance door, a four-seat club configuration and two forward facing seats in the aft section of the cabin.

The seats are covered with Townsend leather of twilight gold color. Stowable executive tables (at club seats) and slim line tables (at aft seats) as well as side ledges are refined with swirl walnut veneer. Dual cup holders at each seat shine in an antique bronze finish.

A LH forward full refreshment center provides space for water and wine bottles, a heated water reservoir, an ice chest, dual cup dispensers and room for general storage.

The aft lavatory section is separated from the cabin by sliding privacy doors. There is a LH side-facing belted seat with stowable cargo net and a vanity sink with temperature controlled water. The RH externally serviceable toilet is non belted. This separate room
